

WAVP 2017 Abstract Guidelines

Abstracts Deadline: Sunday February 12th (Darwin Day) at 6 pm

<http://www.yc.edu/wavp2017>

WAVP 2017 will be at Yavapai College in Prescott, AZ.

Friday – Sunday, February 17-19, 2015.

Registration is \$48 plus optional meals purchasable on the website.

Abstract: Single paragraph summarizing paper. Up to one double-spaced page (350 words, 12 pt font, Times New Roman preferred).

Abstracts should indicate:

- Author Names
- Institution(s)
- Author Contact Email

Mention in your email whether you prefer a talk or poster, and we will try to accommodate this.

Please email them as attachment to: jeb_bevers@yc.edu. (I will email you back that I received it).

We will publish the abstracts through UCMP's Paleobios.

Submit your abstract in a .doc, .rtf, or .pdf file format.

(Even if you don't submit, please send me an email if you plan to attend, so I can get a rough headcount. Thanks.)

Presentations:

Email or bring by Friday February 17th a power point presentation that you will be using so that we may download this onto our computer for talks. Talks will be limited to 12 minutes with up to three minutes of questions.

Posters:

Posters: Will be put up on either Friday February 17th or the morning of February 18th. Authors will need to be present for the viewing sessions on February 18th. Poster size should be between 3' to 4' (height) by 4' to 5' (width). Please consider supplying small paper clips to put up your poster. We should have supplies for this as well, but if we run short your own will be appreciated.
